To Whom It May Concern,

Cameron Tenn worked in the office at ASTOUND Group under my supervision throughout the summer of 2019. During that time, I developed a high regard for Cameron based on his outstanding contributions that he made to our office over the summer.

We discovered Cameron to be a skillful individual with the ability to apply the learned knowledge into practice. He has proven to be a hard worker willing to take on any role in the office no matter how large or small. Cameron is enthusiastic and reliable in completing the assigned work/tasks.

As you consider candidates for your company, I encourage you to take a close look at Cameron Tenn. You will find him to be well-qualified for the position and an asset to your organization. If you need more information, please do not hesitate to contact me.

Sincerely,

Tim Young
